The result

Your NARA fit: S ✨

We think **S** is your best match.

Based on your answers, this should give you the fit you're looking for.

For a more relaxed fit: Try M

For a more fitted look: Stick with S

And if they're between sizes:

You're between S & M

We recommend **M for this piece** because of its relaxed silhouette.

Prefer it more fitted? You could also try S.
